GLOBAL TRAVEL

Here are some of the things you should look at when choosing a world cruise.

Choose

The Size of the Ship

Smaller boats are usually less expensive, but they also cause sea sickness, and some travelers may grow bored trapped on a small boat between shore excursion.

The Cruise Line

There are several different types of world cruises, with some cruise lines such as Cunard offering the traditional high-class British cruise experience, and others such as Princess offering a more economical, modern cruise.

The Amenities Offered

While most world cruises offer the same basic amenities and travel services, some cruises also offer more unique amenities that are specific to each ship.
