

THIS IS THE ULTIMATE CRUISE SHIP TRACKER

Cruisers need to keep up with the latest information surrounding their trips. Whether it be data on onshore activities, onboard events, or the current location of your vessel, your cruise ship tracker should be full of relevant pricing and scheduling to keep you up-to-date. However, not all cruise ship trackers are made equal; some are much more reliable than others.

CRUISE SHIPMATE IS THE ULTIMATE CRUISE SHIP TRACKER

AVAILABILITY

Available in the Apple and Google Play stores, Cruise Shipmate, created by Cruiseline.com, has been rated the "Best Cruise App." The app is reported to be the only cruise tracker app that allows users to monitor information about their vessel and trip "before, during, and after their cruise!" Manage and save all information surrounding your cruise, allowing you to prepare for a future booking and base upcoming trips on past excursions. This app also provides users with detailed information about the vessel. You can familiarize yourself with your vessel to ensure your enjoyment when boarding day arrives by using Cruise Shipmate's deck maps and insider photos from past and present cruisers.

WHAT CAN YOU DO WITH CRUISE SHIPMATE?

With Cruise Shipmate, you will be able to plan, save, and distribute numerous facets of your cruising experience:

- Engage with your future shipmates by joining community roll calls for your upcoming cruise
- Book multiple portions of your cruising experience, from the cruise itself to your onshore excursions
- You can even review the shops and restaurants available for your onshore activities, including details about specific commodity pricing
- Reviews and tips left by past cruisers and other travelers
Keep up with price points and search for current discounts and deals
- You can also enable "price alerts" to ensure you're working with the most updated information
- Get familiar with your vessel before ever stepping onboard using their provided deck plans and cruiser-submitted photos
- Stay engaged with the happenings on your ship by checking the Deck Cams

WHY YOU SHOULD USE CRUISE SHIPMATE:

Cruise Shipmate provides you with the ultimate collection of digital tools for creating the best possible cruise experience with little to no effort on your part. You will get the latest information on all things related to your cruise – from the ship itself to real-time onboard activity to onshore excursion pricing. (Plus, when booking activities through the Shipmate app, you will save a substantial amount of money, since you won't have to book through the cruise line itself!)
