

THIS IS THE BEST CRUISE TO ANTARCTICA EVER!

The best cruises to Antarctica can be found aboard the ships of Silversea Expeditions. The small luxury ships of this cruise line are perfect for seeing the Antarctic Circle in style. From butler service to sumptuous suites with an ocean view, there is no better Antarctic cruise available.

SILVERSEA IS THE BEST CRUISE TO ANTARCTICA

With ten different luxury ships to choose from, Silversea Expeditions is the top name when it comes to Antarctic cruises. While these cruise trips can be a little pricey compared to European Caribbean cruises, they take guests on a journey to one of the most isolated and gorgeous landscapes on the entire planet.

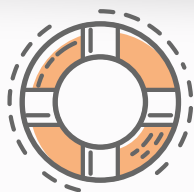

SILVERSEA CRUISE SHIPS SAIL TO EXCLUSIVE DESTINATIONS

The Silversea cruises that pass through these regions expose their passengers to a wide variety of wildlife that is active and indifferent to the presence of humans. This gives visitors a chance for once-in-a-lifetime interactions with some of the rarest creatures on Earth.

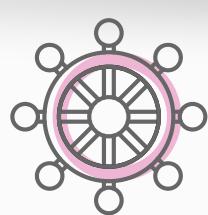

Silversea cruises in Antarctica involve cruises that visit the following areas:

- King George Sound
- Antarctic Sound
- South Shetland Island
- King George Island
- Ushuaia
- Antarctic Peninsula
- Carcass Islands

SILVERSEA OFFERS FINE DINING AT SEA

Along with the beautiful vistas, Silversea Expeditions is also known for its diverse spread of fine dining options on each of their luxury cruise ships. One allure of the smaller luxury cruise ships is the main open-seating restaurant venue. This allows guests to mingle not only with other members of their travel
